

CPP

6th International Congress
on Cardiac Problems in Pregnancy CPP 2021

A Virtual Symposium

February 11-14, 2021

**Time Table
(Opening hour)**

Official programme time			16:00
Central Europe: Belgium, Bulgaria, Check republic, Croatia, Denmark, Estonia, Finland, France, Germany, Greece, Italy, Latvia, Lithuania, Netherland, Norway, Poland, Portugal, Romania, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Ukraine			
United States East (New York)	-6 hrs (10:00)	Iraq, Saudi Arabia	+2 hrs (18:00)
United States Central (Chicago)	-7 hrs (09:00)	Russia	+2 hr (18:00)
United States Midwest (Texas, Minnesota)	-8 hrs (08:00)	Iran	+2.5 hrs (18:30)
United States West (California)	-9 hrs (07:00)	India	+4.5 hs (20:30)
Canada (Montreal, Toronto)	-5 hrs (11:00)	Sri-Lanka	+ 5 hrs (21:00)
Canada (Vancouver)	-8 hrs (08:00)	China	+7hrs (23:00)
Brazil	-3 hrs (13:00)	Singapour, Taiwan, Phillipines	+7hrs (23:00)
Great Britain, Ireland	-1 hr (15:00)	Japan, South Korea, Thailand, Indonnesia	+8 hrs (24:00)
Nigeria	16:00	Australia	+10 hr (02:00 next day)
South Africa, Egypt, Israel	+1 hr (17:00)	New Zealand	+11 hrs (03:00 next day)

Thursday, February 11th, 2021

Hall A

Meet the Experts (Additional Registration Fee)

Uri Elkayam, University of Southern California, USA

Candice Silversides, Mount Sinai Hospital, Toronto, Canada

Katherine W. Arendt, Mayo Clinic, Rochester, USA

Afshan Hameed, University California Irvine, USA

16:00-19:00

16:00-17:00

Valvular Heart Disease and Pregnancy

Uri Elkayam

17:00-17:30

Question and Answers and Panel Discussion

Moderator: Uri Elkayam

Panelists: Catherine W. Arendt, Afshan Hameed

17:30-18:30

Pregnancy and Congenital Heart Disease

Candice Silversides

18:30-19:00

Question and Answers

Moderator: Candice Silversides

Panelists: Uri Elkayam, Katherine W. Arendt, Afshan Hameed

19:00-19:20

Break

Hall A

19:20-20:45

Opening Ceremony

19:20-19:35

Greetings

Uri Elkayam, CPP 2021 Congress Chairman

	Awards	Presentation of the CPP2021 Awards for Distinguished Contributions Presented by: Uri Elkayam, Avi Shotan	
19:40-20:34	Opening Lecture	25 years journey into the understanding of pregnancy associated acute myocardial infarction Uri Elkayam University of Southern California, Los Angeles, USA	
Hall A		Hall B	
20:36-22:43	Pulmonary Hypertension and Emboli	20:36-22:41	Risk Prediction, contraception and Maternal Mortality
20:36-21:05	Diagnosis and Management of Pulmonary Embolism in Pregnancy Timothy Fernandes University California, San Diego, USA	20:36-20:52	Risk Prediction: Are we there Yet? Samuel Siu Western University, London, Canada
21:05-21:27	Pregnancy and PAH - a Survivable Condition -Worldwide update Dianne Zwicke Aurora St. Luke's Medical Center, Milwaukee, USA	20:52-21:11	Top 3 Causes of Maternal Mortality in the USA Afshan Hameed University of California, Irvine, USA
21:27-21:44	Cardiovascular Implication for Covid-19 in Pregnancy Joan Briller University of Illinois, Chicago, USA	21:11-21:31	Sociodemographic Disparities in Maternal Mortality in the US Kathryn J. Lindley Washington University, St Louis' Missouri, USA
21:44-22:05	Pulmonary Hypertension in Pregnancy: The Anesthesiologist's Perspective Marie-Louise Meng Columbia University Medical Center, New York, USA	21:31-21:46	Fertility Control in Women with Cardiovascular Disease Joan Briller University of Illinois, Chicago, USA
22:05-22:43	Pregnancy and PAH - Management Protocol Dianne Zwicke Aurora St. Luke's Medical Center, Milwaukee, USA	21:46-22:01	Preconception Counseling - which Women should be advised to Avoid Pregnancy? Candice Silversides Mount Sinai Hospital, Toronto, Canada
		22:01-22:23	Cardiac Evaluation during Pregnancy Uri Elkayam, MD University of Southern California, Los Angeles, USA
		22:23-22:41	Creating Cardiovascular Disease Screening Program Afshan Hameed University of California, Irvine, USA

Friday, February 12th, 2021

Hall A		Hall B		Hall C	
16:00-18:00	Maternal Cardiology, Reproduction, Sickle Cell and Thalassemia	16:00-17:54	Arrhythmias	16:00-18:08	Vascular Disease during Pregnancy
16:00-16:18	Maternal Cardiology: Gaps and Opportunities Samuel Siu Western University, London, Canada	16:00-16:40	Arrhythmia - Approach to Management in Pregnancy Danna Spears Toronto General Hospital, Toronto, Canada	16:00-16:16	Marfan Syndrome and Pregnancy: Short and Long-Term Risks Rafael Kuperstein Sheba Medical Center, Tel Aviv University, Ramat Gan, Israel
16:18-16:40	Maternal Cardiology Team: How to Build and why it is Necessary Diana Wolfe Montefiore Medical Center, New York, USA	16:40-16:50	Arrhythmogenic Right Ventricular Cardiomyopathy (ARVC) in Pregnancy: A Case Series of Nine Patients in Calgary, Canada Angela Kealey University of Calgary, Alberta, Canada	16:16-16:25	A Retrospective study of Aortic Events in Pregnant Women with Marfan Syndrome - does the Discrepancies in International Prophylactic Surgery Guidelines Matter? Dorte Guldbrand Aarhus University Hospital, Aarhus, Denmark
16:40-16:56	Biomarker Profile and Risk Stratification in Pregnancy Hasan Al-Farhan Baghdad Teaching Hospital, Bagdad, Iraq	16:50-17:00	Mechanisms of Cardiac Arrhythmias in Pregnancy Céline Fiset University of Montreal, Montreal, Canada	16:25-16:33	Marfan Syndrome with Splenic Artery Aneurysms in Pregnancy - A case report Tiyasha Hosne Ayub University Hospital Bonn, Bonn, Germany
16:56-17:04	Creating a Maternal Cardiac Center of Excellence Valerie Rader St. Luke's Hospital, University of Missouri, Kansas City, USA	17:00-17:21	Palpitations in Pregnancy Lee B Padove Northside Hospital, Atlanta, USA	16:33-16:43	Management Dilemmas in a Pregnant Patient with Newly Diagnosed Loeys-Dietz Syndrome Myo Lwin University Hospital Southampton NHS Foundation Trust, Wessex, UK
17:04-17:20	The importance of Gyneco-Cardiology Collaboration - a Dedicated Women Cardiac Health Clinic Avital Porter	17:21-17:27	Pregnancy Outcome in Women with Maternal Implantable Cardiac Defibrillators Marta Lopez	16:43-17:00	Vascular Dissections and Aneurysms during Pregnancy Afshan Hameed University of California, Irvine, USA

	Rabin Medical Center, Petach Tikva, Israel		BCNatal-Barcelona Center for Maternal-Fetal and Neonatal Medicine, Barcelona, Spain		
17:20-17:29	Prediction of Adverse Obstetrical Outcomes in Pregnant Patients with Sickle Cell Disease Based on Tricuspid Regurgitant Velocity - A Retrospective Cohort Study Vincent Williams University of Montreal, Montreal, Canada	17:27-17:54	Syncope in Pregnancy - when to be Worried Paul Gibson University of Calgary, Calgary, Canada	17:00-17:10	Takayasu's Arteritis in Pregnancy (Case) Eryn Bryant Stanford School of Medicine, Stanford, USA
17:29-17:50	Older Women Getting Pregnant means more Heart Disease Norbert Gleicher The Center for Human Reproduction, New York, USA			17:10-17:24	Is Turner Syndrome Still a Significant Risk Factor for Dissection in Pregnancy: a Cohort Study of 130 Turner Syndrome Pregnancies? Matthew Cauldwell Imperial College London
17:50-18:00	Cardiac Disease and Pregnancy Outcomes in a Contemporary Cohort of Thalassemia Patients Inna Landres Weill Cornell Medicine/New York Presbyterian, New York, USA			17:24-17:39	Turner Syndrome and Pregnancy Jolien Roos-Hesselink Erasmus Medical Center, Rotterdam, The Netherlands
				17:39-18:08	Aortic Dissection in Pregnancy Causes and Prevention Sorel Goland, MD Hebrew University, Jerusalem, Israel
18:05-18:25	Break				
Hall A		Hall B		Hall C	
18:25-19:57	Guidelines and Registries	18:25-19:07	Hypertension and Pregnancy	18:25-19:38	Vascular Disease and Surgery during Pregnancy
18:25-18:58	2018 ESC Guidelines Cardiovascular Diseases during Pregnancy Jolien Roos-Hesselink Erasmus Medical Center, Rotterdam, The Netherlands	18:25-18:44	Hypertension and Preeclampsia Afshan Hammeed University California Irvine, Irvine, USA	18:25-18:35	Native Coarctation of the Aorta - Stenting in Pregnancy (Case) Francois Dos Santos Imperial College London, London, UK

18:58-19:17	Worldwide PPCM Registry: a Status Report Karen Sliwa Hatter Institute of Cardiovascular Research in Africa, Cape Town, South Africa	18:44-18:49	Risk Factors for Hypertension and it's Effects on Maternal Pregnancy Outcomes in Women with a History of Coarctation of the Aorta (ct) Scott Cohen Medical College of Wisconsin, Milwaukee, USA	18:35-18:45	Pregnancy in Women with Total Cavopulmonary Connection Petra Antonova University Hospital Kralovske , Vinhohrad, Czech Republic
19:17-19:34	The HOPE Registry in the US Florio Karen Saint Luke's Health System, Kansas City, USA	18:49-18:58	Myocardial Structure, Function, Perfusion and Scar at Longer-term Follow-up in Women with History of Preeclampsia (ct) Odayme Quesada Cedars Sinai Medical Center Smidt Heart Institute, Los Angeles, USA	18:45-18:56	Diagnosis, Management and Outcomes of May Turner Syndrome in Pregnant Patients: a Case Series (ct) Laura Schmidt Saint Luke's Health System, University of Missouri-Kansas City, USA
19:34-19:49	Pregnancy and Labor in Women with Heart Diseases. The Northern Israel Registry Eli Gutterman Carmel Medical Center & Clalit Health Services, Haifa, Israel	18:58-19:07	Hypertensive pregnancy Disorders among Women with Heart Disease in Norway(ct) Ingrid Langen Oslo University Hospital, Oslo, Norway	18:56-19:00	Assisted Reproduction Techniques and Pregnancy in a Woman with Turner Syndrome and Congenital Heart Disease (Case) Biancamaria D'Agata Mottolese Institute for Maternal and Child Health-IRCCS 'Burlo Garofolo', University of Trieste, Trieste, Italy, Italy
				19:00-19:12	Takayasu's Arteritis in Pregnancy Abha Khandelwal Stanford University School of Medicine, Stanford, USA
				19:12-19:21	Aortic Coarctation in Pregnancy: Outcomes and Predictors for Cardiovascular and Hypertensive Complications. Data from the ESC Registry of Pregnancy and Cardiac Disease (ROPAC) (ct) Karishma Priyadarshani Ramlakhan Erasmus University Medical Center, Rotterdam, Netherlands
				19:21-19:30	Urgent Cardiac Surgery and Pregnancy (ct) Sergii Siromakha

					Amosov National Institute for Cardiovascular Surgery, Kiev, Ukraine
				19:30-19:38	Peripartal Cardiac Surgery: a Compilation of Specialized Multidisciplinary Treatment of 18 Cases in a Single Center Paulina Wiktorowska Leipzig Heart Center, Germany
19:40-20:00	Break				
Hall A		Hall B		Hall C	
20:10-21:15	Rapid Fire A	20:10-21:17	Rapid Fire B		
Acute MI	Pregnancy-Associated Myocardial Infarction (PAMI) in Alberta - A Detailed 15-Year Population-Based Study Utilizing the Approach Database (2003-2017) Paul Gibson University of Calgary, Canada	Congenital	Pregnancy and Systemic Right Ventricle Francois Dos Santos Imperial College London, London, UK		
Medications	Contraception in Women with Heart Disease - Do not be Afraid Lynne Freeland Nelson Saint Luke's Hospital of Kansas City, USA	Cardiac evaluation	Maternal Outcomes in Planned and Unplanned Pregnancies in Women with Cardiac Disease Noor Joudi Department of Obstetrics & Gynecology, Stanford University, Stanford, USA		
PPCM תתקן	Risk of Subsequent Pregnancy in Women with History of Peripartum Cardiomyopathy Shamsa Alhinai Royal Hospital, Muscat, Oman	Congenital	Risk Management of Pregnancy with Systemic Right Ventricle in Dextro-Transposition of the Great Arteries Miki Kanoh Japanese Red Cross Saitama Hospital, Saitama, Japan		
Cardiac Evaluation	Scottish Obstetric Cardiology Network - Improving Care for	Congenital	A Successful Pregnancy in a Patient with Hypoplastic Right Ventricle		

	Women of Child-Bearing Age with Heart Disease in Scotland Maggie Simpson National Services Scotland, Glasgow, UK		with a One and a Half Ventricle Repair Sumithra Jeganathan Zucker School of Medicine at Hofstra/Northwell, New York, USA		
Risk assessment	Predictors of Long-term Maternal Cardiovascular Events in Women with Congenital Heart Disease Hayley Schultz University of California, San Francisco, USA	Labor and Delivery	Anesthetic Intrapartum Management of Parturients with Fibrosing Mediastinitis: A Case Series Miguel Teixeira Mayo Clinic, Rochester, USA		
Acute MI	The Implications of Pregnancy-Associated Spontaneous Coronary Artery Dissection Angie Lobo Mayo Clinic, USA	Congenital	Experience with Pregnancy in Fontan Patients at One Centre Natalie Bottega McGill University Health Centre, Montreal, Canada		
Acute MI	Spontaneous Coronary Artery Dissection when Associated with Pregnancy Matthew Cauldwell Imperial College London, UK	Hypertension	The Association of Non-dipping Pattern of Blood Pressure in Gestational Hypertension on Early Onset of Hypertension Later in Life Djordje Ilic Novi Sad, Institute of Cardiovascular Diseases of Vojvodina, University of Novi Sad, Novi Sad, Serbia		
Risk assessment	Familial Hypercholesterolemia in Pregnancy: Case Series Mary Nangrahary King Edward Memorial Hospital, University of Western Australia, Subiaco, Australia	Congenital	Severe Placentomegaly and Intrauterine Growth Restriction in a Persistently Hypoxemic Pregnant Woman with Single Cardiac Ventricle Eli Gutterman Clalit Health Services, Carmel Medical Center, Israel		
Coronary Artery Disease	Pregnancy in A woman With Hemoglobinopathy SS and Idiopathic Aortitis after Coronary Artery Bypass Grafting Joanne Quinones Lehigh Valley Health Network, University of South Florida Morsani College of Medicine Tampa, USA	Labor and delivery	Are all the Clinical Indications for C-sections in Cardiac Patients Appropriate? A Review of a Multidisciplinary Italian Experience Francesca Maria Comoglio Turin, Italy		

Myocarditis	Myocarditis in Pregnancy: Case Series Polona Koritnik University Medical Center Ljubljana, Slovenia	Valvular	Mechanical Heart Valves in Pregnancy: A Single Center Cohort Elisabeth Codsí Sainte-Justine Hospital, Montreal, Canada		
Risk assessment	Risk of Obstetric Complications during Pregnancy in Women with Heart Disease Berta Serrano Hospital Universitari Vall d'Hebron, Spain	Valvular	Infective Endocarditis and Pregnancy Sergii Siromakha National Amosov Institute of Cardiovascular Surgery, Kyiv, Ukraine		
Hypertension	Preventative Care after Hypertensive Disorders of Pregnancy: Do Women Go and what do they Hear? Jourdan Triebwasser Maternal and Child Health Research Center, Perelman School of Medicine, University of Pennsylvania, USA				
Risk assessment	Joint Cardiology Obstetric Clinic Supports Women with Suspected or Diagnosed Cardiac Conditions through Pregnancy Diane Barker University Hospitals of North Midlands, Stoke-on-Trent, UK				

Saturday, February 13th, 2021

Hall A		Hall B		Hall C	
16:00-18:34	Congenital Heart Disease	16:00-18:20	Management During Labor and Delivery	16:00-17:59	Case Presentations
16:00-16:17	Genetics of Adult Congenital Heart Disease: Pregnancy Considerations Candice Silversides Mount Sinai Hospital, Toronto, Canada	16:00-16:05	Labor and Delivery Outcomes in Pregnant Women with Cardiac Disease (ct) Salman Hashim Mount Sinai Hospital, Toronto, Canada	Risk Assessment 16:00-16:10	Recurrence of Atrial Myxoma in IVF Pregnancy: A Unique Case of Successful Antepartum Anticoagulation Regimen and Postpartum Resection Noor Joudi Department of Cardiology, Stanford University, Stanford, USA
16:17-16:35	Maternal and Fetal Flows in Congenital Heart Disease: what can Cardiovascular Magnetic Resonance Imaging Teach us? Rachel Wald Toronto General Hospital, Toronto, Canada	16:05-16:21	How to Organize Cardiac ICU on Labor Floor? Amir Shamshirsaz Baylor College of Medicine, Houston, Texas, USA	Valvular 16:10-16:21	Parachute Mitral Valve, Mitral Regurgitation Mirror Syndrome in Pregnancy Nicolo' Montali Città della Salute e della Scienza di Torino, Torino, Italy
16:35-16:55	Pregnancy in Women with Left to Right Shunts: any Risk? Marla Mendelson Northwestern Feinberg School of Medicine, Chicago, USA	16:21-16:37	How does the OB Anesthesiologist Plan for Delivery? Marie-Louise Meng Columbia University Medical Center, New York, USA	Congenital & Arrhythmias 16:21-16:39	Multidisciplinary Management and Multi-site Care of a Pregnancy in a Patient with Fontan's Circulation, an Aortic Homograft and Paroxysmal Atrial Arrhythmia Fiona O'Toole Rotunda Hospital, Dublin, Ireland
16:55-17:11	Should Patients with TOF and Severe PR have Valve Replacements Prior to Pregnancy? Sabrina Phillips Mayo Clinic Congenital Heart Disease Center, Rochester, USA	16:37-17:05	Sympathectomy from Neuraxial Anesthesia: Implication for the Cardiac Parturient Katherine W Arendt Mayo Clinic, Rochester, USA	Arrhythmias 16:39-16:48	Second Trimester Placement of a Subcutaneous Implantable Defibrillator in a Woman with Long Qt Syndrome Amy Ahnert Lehigh Valley Health Network, University of South Florida Morsani College of Medicine, Tampa, USA
17:11-17:28	Pregnancy in Patients with a Systemic RV	17:05-17:21	Hemodynamics Peri-Delivery: The Anesthesiologist's Perspective	DVT 16:48-16:55	Peripartum Anesthetic Management of a Parturient with Cardiac

	Carole Warnes Mayo Clinic, Rochester, USA		Marie-Louise Meng Columbia University Medical Center, New York, USA		Angiosarcoma and Heparin Induced Thrombocytopenia Amber C Benhardt Washington University in St. Louis School of Medicine, St. Louis, USA
17:28-17:37	Pregnancy Outcomes in Female Heart Recipients Transplanted for Peri-Partum Cardiomyopathy (PPCM) Michael Moritz Transplant Pregnancy Registry International, Lehigh Valley Health Network, Allentown, USA	17:21-17:40	Critical Illness in Pregnancy: Implications of Acid/Base Status on the Utero-placental Unit Katherine W Arendt Mayo Clinic, Rochester, USA	Congenital 16:55-17:01	Congenital Heart Disease and Pregnancy Lisa Sophie Barthel University Clinic Bonn, Bonn, Germany
17:37-17:46	Pregnancy Outcomes in Women with Arrhythmias Following Surgical Repair of Cardiac Defects (ct) Rebecca Chornock MedStar Washington Hospital Center, Washington, USA	17:40-18:02	Optimal Timing for Delivery: 37-39-41? Mordechai Hallak Hillel Yaffe Medical Center, Hadera, Israel	Congenital 17:01-17:15	Patient with Pathogenic ACTA2 Variant: Twice Pregnant, Twice at Risk! Francesca Bonassin Tempesta University Hospital Zurich, Switzerland
17:46-18:12	Pregnancy in Women with Systemic Right Ventricle Michael Gatzoulis, MD, PhD Royal Brompton hospital, London, United Kingdom	18:02-18:20	Cardiac Effects of Drugs used for Induction of Labour and Prevention and Treatment of Postpartum Hemorrhage Matthew Cauldwell Imperial College London, London, United Kingdom	Hypertension 17:15-17:25	Primary Mediastinal Large B-cell Lymphoma in Pregnancy Complicated by Preeclampsia Lakha Prasannan Donald and Barbara Zucker School of Medicine at Hofstra/Northwell, Hempstead, USA
18:12-18:34	Pregnancy in Patients with Fontan Physiology: Prognosis and Management Candice Silversides, MD University of Toronto, Toronto, Canada			Vascular 17:25-17:34	Takayasu's Arteritis with Aortic Aneurysm in Pregnancy: a Case Report Luísa Andrade Silva Hospital de São Bernardo, Centro Hospitalar de Setúbal, EPE, Portugal
				PPCM 17:34-17:41	CardioMEMS as an Aid to Clinical Management in a Pregnancy with Pre-Existing Peripartum Cardiomyopathy Ruchira Sharma Zucker School of Medicine at Hofstra/Northwell, USA

				PPCM 17:41-17:51	Management of a Parturient with Acute Decompensated Heart Failure, Peripartum Cardiomyopathy and Pre-eclampsia with Severe Features Rochelle (Molitor) Pompeian Mayo Clinic, Rochester, USA
				PPCM 17:51-17:59	A Case of Peripartum Cardiomyopathy in a Woman with VSD Saria Kawano Tokyo Metropolitan Bokutoh Hospital, St. Luke's International Hospital, Tokyo, Japan
18:30-18:50	Break				
18:50-19:39	Congenital Heart Disease	18:50-20:35	Cardiomyopathy and Heart Failure during Pregnancy		
18:50-19:08	Pregnancy in Women with d-TGA Post Atrial Switch Operation Carole Warnes Mayo Clinic, Rochester, USA	18:50-19:06	Acquired and Reversible Noncompaction of Left Ventricle in Pregnancy Radha Sarma Western University of Health Sciences, Los Angeles, USA		
19:08-19:18	How Pregnancy Impacts Adults with Cyanotic Congenital Heart Disease Magalie Ladouceur Hôpital Européen Georges Pompidou, Paris, France	19:06-19:12	Management and Outcome of Acute and Recurrent Pericarditis during Pregnancy (ct) Rafaek Kuperstein Sheba Medical Center, Tel Aviv University, Tel Aviv, Israel		
19:18-19:39	Development of Delivery Plans for Women with Complex Heart Disease: Fontan, TGA Mary Canobbio University of California Los Angeles, Los Angeles, USA	19:12-19:29	Pregnancy after Heart Transplantation Michael Moritz University of South Florida Morsani College of Medicine, Tampa, USA		

19:39-20:43	Coronary Artery Disease and Pregnancy	19:29-19:51	Hypertrophic Cardiomyopathy and Pregnancy Sorel Goland Kaplan Medical Centre, Rehovot, Israel		
19:39-20:05	SCAD Associated with Pregnancy vs Non-Pregnancy Associated SCAD- The Mayo Clinic Experience Marysia S Tweet Mayo Clinic, Rochester, USA	19:51-19:59	Perinatal Outcomes of Women with Hypertrophic Cardiomyopathy Emilie L'Écuyer Sainte-Justine University Hospital / University of Montreal, Montreal, Canada		
20:05-20:13	Pregnancy after Spontaneous Coronary Artery Dissection Matthew Cauldwell Imperial College London	19:59-20:18	Dilated (Non-PPCM) Cardiomyopathy and Pregnancy Avraham Shotan Laniado Medical Center, Netanya, Israel		
20:13-20:25	Cardiac Interventions Pregnancy Anil Mehra University of Southern California, Los Angeles, USA	20:18-20:35	Pregnancy Outcomes in Female Heart Recipients Transplanted for Peri-Partum Cardiomyopathy (PPCM) Michael Moritz University of South Florida Morsani College of Medicine, Tampa, USA		
20:25-20:43	Outcome of Pregnancy in Women with an History of SCAD Marysia S Tweet Mayo Clinic, Rochester, USA				
20:43-20:55	Break				
20:55-22:26	Arrhythmias				
20:55-21:30	Inherited Arrhythmia Syndromes- Approach to Management in Pregnancy Danna Spears Toronto General Hospital, Toronto, Canada				
21:30-21:42	ICD Management Labor and Delivery Mary Canobbio University of California, Los Angeles, Los Angeles, USA				

21:42-22:05	Anti-Ro and anti-La and the Risk of Fetal/Neonatal Heart Block Michal Simchen Sheba Medical Center, Ramat Gan, Israel				
22:05-22:26	Cardiac Arrest Pregnancy Joan Briller University of Illinois, Chicago, USA				

Sunday, February 14th, 2021

Hall A		Hall B	
16:00-18:47	Peripartum Cardiomyopathy	16:00-17:01	Cardiovascular Therapy during Pregnancy
16:00-16:18	Highlights from the ESC 2019 Position Paper on PPCM Johann Bauersachs Medical School Hannover, Hannover, Germany	16:00-16:23	Update on Drugs in Pregnancy: Pharmacokinetics, Precision Dosing & Fetal Exposure Irving Steinberg University of Southern California, Los Angeles, USA
16:18-16:33	Epidemiology of Peripartum Cardiomyopathy Maria Schaufelberger University of Gothenburg, Gothenburg, Sweden	16:23-16:45	The Use of Beta- blockade for Cardiovascular Diseases during Pregnancy Marla Mendelson Northwestern Feinberg School of Medicine, Chicago, USA
16:33-16:48	Peripartum Cardiomyopathy: Clinical Presentation, Management and 6-Month Outcome of Women Diagnosed with PPCM from Europe, Africa, Asia Pacific and the Middle East Karen Sliwa Hatter Institute of Cardiovascular Research in Africa, Cape Town, South Africa	16:45-17:01	Safety Considerations in the Selection of Cardiac Drugs during Pregnancy and Lactation Lisa Levine University of Pennsylvania, Philadelphia, USA
16:48-17:17	Debate: Is Bromocriptine Ready for Prime Time?	17:01-18:47	Valvular Heart Disease and Anticoagulation
16:48-17:01	Pro: Johann Bauersachs Medical School Hannover, Hannover, Germany	17:01-17:18	Pregnancy in Women with Prosthetic Heart Valve Uri Elkayam University of Southern California, Los Angeles, USA
17:01-17:17	Con: Dennis McNamara University of Pittsburgh, Pittsburgh, USA	17:18-17:44	Anticoagulation in Pregnant Women with Mechanical Prosthetic Valves Candice Silversides, MD University of Toronto, Toronto, Canada
17:17-17:26	Clinical Profile and Outcomes of Peripartum Cardiomyopathy in Nigeria: a Prospective Longitudinal Study (ct) Kamilu Karaye Aminu Kano Teaching Hospital, Nigeria	17:44-17:54	The Challenge of Accurate Diagnostic Imaging for Valvular Disease during Pregnancy (ct) Amy Ahnert Lehigh Valley Health Network, Allentown, USA
17:26-17:33	Contemporary Outcome of Subsequent Pregnancies in Patients with a History of Peripartum Cardiomyopathy (ct)	17:54-18:06	Management of Anticoagulation for Pregnant Women with Mechanical Heart Valves: Experience from a Single Center in South India (ct)

	Rafael Kuperstein Sheba Medical Center, Tel Aviv University, Tel Aviv, Israel		Anish Keepanasseril Jawaharlal Institute of Postgraduate Medical Education and Research (JIPMER), Pondicherry, India
17:33-17:52	Genetics of Peripartum Cardiomyopathy Zoltan Arany University of Pennsylvania, Philadelphia, USA	18:06-18:26	Outcomes in Women with Mechanical Heart Valves Anticoagulated with Low Molecular Weight Heparin during Pregnancy (ct) Rohan D'Souza Mount Sinai Hospital, University of Toronto, Canada
17:52-18:19	Why Peripartum Cardiomyopathy is Likely an Autoimmune Disease Norbert Gleicher The Center for Human Reproduction, New York, USA	18:26-18:36	Infective Endocarditis in Pregnancy: A Contemporary Cohort (ct) Malamo Countouris University of Pittsburgh, Pittsburgh, USA
18:19-18:35	Genomic Background, Race and Recovery in Peripartum Cardiomyopathy Dennis McNamara University of Pittsburgh, Pittsburgh, USA	18:36-18:47	Mechanical Mitral Valve Thrombosis in Pregnancy: what Now? (case) Lukas Meier University Hospital Zürich, Zurich, Switzerland
18:35-18:47	Peripartum Cardiomyopathy: Long-term Survival, Recovery & Duration of Medical Therapy Melinda Davis University of Michigan, Ann Arbor, USA		
20:35-20:55	Break		
19:10-21:35	Peripartum Cardiomyopathy	19:10-20:01	Valvular Heart Disease and Anticoagulation
19:10-19:29	Racial Differences in Peripartum Cardiomyopathy Zoltan Arany University of Pennsylvania, Philadelphia, USA	19:10-19:28	2018 ESC Guidelines for Anticoagulation in Pregnant Women with Mechanical Prosthetic Heart Valves - Petronella G (Els) Pieper University Medical Center, Groningen, The Netherlands
19:29-19:58	Management of Severe Heart Failure/Cardiogenic Shock in Pregnancy Uri Elkayam University of Southern California, Los Angeles, USA	19:28-19:35	Double Trouble: Mitral Stenosis and Left Ventricular Outflow Tract Obstruction in Pregnancy from a Bio-prosthetic Mitral Valve (Case) Jonathan Windram University of Alberta, Edmonton, Canada
19:58-20:11	The Evidence of Subclinical LV Dysfunction in PPCM with Recovered EF Sorel Goland Kaplan Medical Centre, Rehovot, Israel	19:35-19:44	Mechanical Mitral Valve Thrombosis and Endocarditis during Pregnancy: a Case Report (Case) Sofia Torres Centro Hospitalar Universitário De São João, Porto, Portugal

20:11-20:26	PPCM: Anticoagulation: Sudden Cardiac Death Melinda B. Davis University of Michigan, Ann Arbor, USA	19:44-20:01	Catheter Based Interventions for Valvular Disease in Pregnancy Anil Mehra University of Southern California, Los Angeles, USA
20:26-20:51	PPCM-The Risk of Subsequent Pregnancy - To be or not to be? Uri Elkayam University of Southern California, Los Angeles, USA		
20:51-21:00	Closing Remarks Uri Elkayam, Avraham Shotan
