

CPP 2023 – Invited Lectures

Asia-Pacific (APSC) Cardiac Problems in Pregnancy (CPP) 2023 Joint Session: Valvular Heart Disease in Pregnancy

Organized by:

Wael Almahmeed

Cardiology, Abu Dhabi, United Arab Emirates

Bashir Taha Salih

Obstetric medicine Abu Dhabi, United Arab Emirates

Prenatal Assessment

Wanwarang Wongcharoen

Internal Medicine, Chiang Mai University, Thailand

Anticoagulation Management

Geetha Kandavello

Malaysia

Valvular Intervention during Pregnancy

Low Ting Ting

Singapore

Aortic stenosis in Pregnancy

Doreen DeFaria Yeh

Cardiology, Massachusetts General Hospital, Boston, USA

Mitral Stenosis: Pregnancy Risks and Management

Candice Silversides

Mount Sinai Hospital, Toronto, Canada

Indications for Intervention for Women with Valvular Heart Disease during Pregnancy

Uri Elkayam

University of Southern California, Los Angeles, USA

Abu Dhabi - United Arab Emirate Cardio Obstetric Joint Clinic - Case Presentations and Panel Discussion

Panel:

Wael Al Mahmeed: Heart, Vascular & Thoracic Institute, Cleveland Clinic Abu Dhabi, United Arab Emirates

Saleema Wani: Obstetrics & Gynecology Corniche Hospital, Abu Dhabi, United Arab Emirates

Bashir Taha Salih: Obstetric medicine, Corniche Hospital, Abu Dhabi, United Arab Emirates

Tarek El Ansari: Obstetric Anesthesia, Corniche Hospital, Abu Dhabi, United Arab Emirates

Ghadeera Al Mansoori: Cardiology, Sheikh Shakhbout Medical City, Abu Dhabi, United Arab Emirates

Sam Siu: Western University, London, Canada

Marie-Louise Meng: Duke University Medical Center, Durham, North Carolina, USA

Afshan Hameed: University of California, Irvine, USA

Cases Presentations:

Hypertrophic Cardiomyopathy and Pregnancy (case)

Ghadeera Al Mansoori

Cardiology, Sheikh Shakhbout Medical City, Abu Dhabi, United Arab Emirates

Rheumatic Mitral Valve Disease and Pregnancy (case)

Fathima Farook

Obstetrics & Gynecology Corniche Hospital, Abu Dhabi, United Arab Emirates

D-Transposition of the Great Vessels and Pregnancy (Case)

Fathima Farook

Obstetric medicine, Corniche Hospital, Abu Dhabi, United Arab Emirates.

Panel discussion (Ob Medicine, High Risk OB, Anesthesia, Cardiology)

Presentation

Cardio Obstetric Multi-Disciplinary Joint Clinic at Abu Dhabi

The current Abu Dhabi - UAE Cardio Obstetric Joint Clinic

Ghadeera Almansoori

Cardiology, Corniche Hospital, Abu Dhabi, United Arab Emirates

The International Society of Obstetric Medicine Session

Syncope in Pregnancy - A Safe Approach for the Internist and Obstetrician

Paul S. Gibson

University of Calgary, Calgary, Canada

Pheochromocytoma as a Mimic of Heart Failure in Pregnancy

Kenneth K Chen

Progressive Care Unit, Women & Infants Hospital, Brown University, Providence, Rhode Island, USA

Cardio Obstetrics

Cardio-Obstetrics: Lessons Learnt Over 3 Decades

Sam Siu

Western University, London, Canada

Understanding the Management and Outcomes of Pregnant People with Cardiovascular Disease - A Call to Action

John Spertus

Saint Luke's Health System, Kansas City, USA

How to Build a Cardio Obstetric Team?

Diana S. Wolfe

Montefiore Medical Center, New York, USA

Developing Cardio-Obstetric Teams: Preparing the Nursing Team

Mary Canobbio

University of California, Los Angeles, Los Angeles, USA

Stories from the Joint Gyneco-Cardio Clinic - Does it Improve Outcomes?

Hezzy Shmueli

Cardiology, Soroka Medical Center, Beer Sheva, Israel

Reproductive Health in Women with CVD: A New Approach

Ali Farhan

Baghdad Teaching Hospital, Bagdad, Iraq

Experience with a Cardio Obstetrics Program Review of 300 Patients and Outcomes

Jennifer H. Haythe

Columbia University Irving Medical center, New York, USA

Patient Reported Health Status Outcomes in Pregnancy

Anna Grodzinsky

Saint Luke's Mid America Heart Institute, University of Missouri, Kansas, USA

Covid-19

Update on Covid

Briller Joan

University of Illinois, Chicago, USA

Analysis of Cardiovascular Complications during Delivery Admissions Associated with COVID-19 in U.S during Pandemic Year 2020

Erin Michos

Cardiology, Johns Hopkins Hospital, Baltimore, Mariland, USA

Risk Prediction and Mortality

Risk Prediction: A 2023 Update

Sam Siu

Western University, London, Canada

Cardiovascular Risk in Pregnancy Over 40

Lee Padove

Northside Hospital, Atlanta, USA

Dynamics of NT-proBNP in Pregnancy

Nandita Scott

Massachusetts General Hospital, Harvard Medical School

Biomarkers other than Natriuretic Peptides in Pregnancy

Nandita Scott

Massachusetts General Hospital, Harvard Medical School

Risk Stratification of Heart Disease during Pregnancy

Dr Walid Kadro

Cardiology, Abu Dhabi, United Arab Emirates

The Troponin is Increased what should I do Next?

Briller Joan

University of Illinois, Chicago, USA

Prevalence in Correlate of Elevated NT-proBNP in Pregnant Women in the US

Anum Minhas

Cardiology, Johns Hopkins University, Baltimore, USA

The New York Experience of the Maternal Mortality Review Board

Jennifner H. Haythe

Columbia University Irving Medical center, New York, USA

CVD Risk Assessment in Asymptomatic Pregnant and Postpartum Patients

Afshan Hameed

University of California, Irvine, USA

Choosing the Best Risk Stratification Tool for Pregnant Women with Heart Disease: What to Consider

Anish Keepanasseril

JIPMER, Puducherry, India

Universal CVD Screening in Pregnancy

Diana S. Wolfe

Montefiore Medical Center, New York, USA

Health Policy Changes that have Improved Maternal Mortality (Virtual)

Garima Sharma

Johns Hopkins University School of Medicine, Baltimore, Maryland, USA

Management Strategies for Adverse Pregnancy Outcomes

Briller Joan

University of Illinois, Chicago, USA

Artificial Intelligence and Novel Digital Tools for Obstetric Cardiovascular Screening

Demiclad Adedinsewo

Cardiovascular Medicine, Mayo Clinic, Jacksonville, Florida, USA

A Core Outcome Set and Minimal Data Set for all Future Studies on Pregnancy and Heart Disease

Rohan D'souza

McMaster University, Hamilton, Ontario, Canada

Inclusion of Pregnant and Breast-feeding Women in Non-obstetrical Randomized Controlled Trial

Dr. Isabelle Malhamé

McGill University, Montreal, Canada

Infertility and Contraceptives in Women with Cardiac Disease IVF

IVF: Is it an Independent Risk for Bad Outcome

Lee Padove

Northside Hospital, Atlanta, USA

Fertility Care in the Cardiac Patient
