CPP 2025

**The 9th International Congress
on Cardiac Problems in Pregnancy**

24-27 April, 2025  **Vienna, Austria**

Welcome Letter

Dear Colleagues,

We would like to enthusiastically invite you to attend the **9th International Congress on Cardiac Problems in Pregnancy (CPP 2025)** at the **Intercontinental Hotel in Vienna, Austria, from April 24-27, 2025.**

This event will provide an opportunity for the international cardio-obstetric community to come together again for in-person interactions with colleagues and friends.

Continuing the tradition of the previous eight meetings, the goals of **CPP 2025 are to advance the knowledge and expertise of healthcare professionals worldwide in managing cardiovascular (CV) diseases during pregnancy.** This will be achieved through the exchange of information and updates on recent data.

The meeting will include numerous plenary sessions featuring state-of-the-art reviews by renowned experts. It will incorporate the results of contemporary research as well as clinical observations and case presentations, followed by expert discussions.

As the management of heart disease in pregnancy requires a multidisciplinary approach, the intended audience includes **cardiologists, obstetricians, maternal-fetal medicine specialists, obstetrical and cardiac anesthesiologists, family medicine specialists, hematologists, pediatricians, pediatric cardiologists, geneticists, cardiac surgeons, neonatologists, nurses, clinical pharmacists, and other healthcare professionals** with a special interest in managing pregnant women with heart disease.

We encourage your company to be a part of **CPP 2025** that will bring together 400 participants from the global, and to contribute to the advancement of knowledge in the field of heart disease in pregnancy.

Your presence will contribute to the success of this congress.

We look forward to your participation in what promises to be another exciting congress with a high scientific standard.

**Professor Uri Elkayam,
Congress Chairman**

**Professor Avraham Shotan,
Congress Co-Chairman**
