WELCOME CPP 2026

ABOUT THE CONFERENCE:

Dear Colleagues,

We would like to enthusiastically invite you to attend the **10th International Congress on Cardiac Problems in Pregnancy (CPP 2026)** in Barcelona, Spain **from April 16-19, 2026**. **This event will provide an opportunity for the international cardio-obstetric community to come together again for in-person** interactions with colleagues and friends.

Continuing the tradition of the previous nine meetings, the goals of **CPP 2026 are to advance the knowledge and expertise of healthcare professionals worldwide in managing cardiovascular (CV) diseases during pregnancy**. This will be achieved through the exchange of information and updates on recent data. The meeting will include numerous plenary sessions featuring state-of-the-art reviews by renowned experts. It will incorporate the results of contemporary research as well as clinical observations and case presentations, followed by expert discussions.

As the management of heart disease in pregnancy requires a multidisciplinary approach, the intended audience includes **cardiologists, obstetricians, maternal-fetal medicine specialists, obstetrical and cardiac anesthesiologists, family medicine specialists, hematologists, pediatricians, pediatric cardiologists, geneticists, cardiac surgeons, neonatologists, nurses, clinical pharmacists, and other healthcare professionals** with a special interest in managing pregnant women with heart disease.

We encourage your company to be a part of **CPP 2026** that will bring together 450+ participants from the global, and to contribute to the advancement of knowledge in the field of heart disease in pregnancy.

See you in Barcelona in April 2026!

Kind regards,

We look forward to seeing you in Barcelona, April 16-19, 2026!

Professor Uri Elkayam
Congress Chairman

Avraham Shotan
Congress Co-Chairman
